

Operation Support Our Troops - America Case for Support 2019

Statement of Mission

The mission of Operation Support Our Troops – America is to support the morale and well-being of American military forces by providing comfort, resources, and education to them and their families both while they are deployed in harm’s way and after their return.

Statement of Vision

We endeavor to demonstrate to all members of the military that the people of the United States respect and value their sacrifice. This outreach, not just from families and friends, but thousands of people the troops don’t even know, helps to support them and their families in their commitment to our country, both on the battlefield and when they return home.

Our Programs

Comfort and care packages sent to active duty service members deployed in harm’s way. For these military members we send packages filled with everyday necessities and snack items. All items sent are donated to us, and we raise the funds to cover the cost of postage.

The Allen J. Lynch Medal of Honor Veteran’s Assistance program helps veterans by providing one-time grants to help with expenses in a veteran’s time of need to pursue the improvement of their lives, and their families. Typical expenses covered are rent, utilities and car payments.

G.I. Yoga is modified yoga free to veterans and their families so they can benefit from the practice of yoga.

Leap of Faith is a three-day grief seminar for Gold Star families, in this seminar a full day is spent on how to “stay in the river of life” and two days of activities. One day the family member experiences a tandem jump with either an active duty or veteran parachute jumper. The second day is spent in either dolphin or equine therapy, depending on the location of the seminar.

Program Services - 2018

Perhaps the best gauge of our fundraising success is the impact of the proceeds on the programs of OSOT-America. In 2018, donations were used to:

- Provide financial grants to veterans in need, offering a hand up – not a hand out, helping 105 veterans with \$125,000 in financial grants through our Allen J. Lynch Medal of Honor Veterans Assistance Program.
- Ship over 3,832 comfort packages (83,278 pounds) of items to serve approximately 38,320 troops with over 110,000 pounds of goods donated for the packages.
- Conduct two Leap of Faith Seminars to help Families of the Fallen service members learn grief coping skills.

Since Inception:

- OSOT-America has had an average program/admin ratio of 90%. This means that 90¢ of every dollar donated goes directly to support the programs of OSOT-America.

Conclusion

Operation Support Our Troops – America is entering its 17th year of operations while our country faces growing threats around the world. By engaging our sponsors and donors, being good stewards of our resources, and actively participating in the military and veteran community we continue to be able to meet these needs.

Operation Support Our Troops-America consistently receives the highest ratings from charity evaluators for our transparency, program effectiveness and utilization of resources. You can be sure your donation is being put to good use.
